Please print, fill out and bring this form with you at the time of your pets' reservation. Thank you.

**MEDICAL BOARD, NURSING CARE LEVEL 1** (previously "Special Care") **\$15/NIGHT SURCHARGE**

Description: Level 1 is for pets who are stable but require extra care and supervision during their stay.  
Medical Supervision: Pets are monitored and cared for daily by our Veterinary Technician staff.

*Patients falling into this category include:*

- \* Unvaccinated puppies/kittens
  - \* Pets with stable but chronic medical conditions
  - \* Aggressive or otherwise difficult to handle pets
  - \* Geriatric or other pets requiring:
    - Extra feedings
    - Extra walks & bathroom breaks
    - Twice daily medications
- 

**MEDICAL BOARD, NURSING CARE LEVEL 2**

**\$25/NIGHT SURCHARGE**

Description: Level 2 is for pets who are stable but require medical observation and care during their stay.  
Medical Supervision: Pets are cared for daily by our Veterinary Technician staff, under the supervision of a Staff Veterinarian.

**VETERINARY SUPERVISED/REQUIRE DR EXAM AT CHECK IN** (ok to sched as appt ahead of boarding date)

*Patients falling into this category include:*

- \* Post-operative pets
  - \* Pets with a stable but chronic medical condition which requires monitoring for urgent medical intervention (e.g., seizure history, diabetes, asthma, heart disease)
  - \* Pets requiring subcutaneous fluid support
  - \* Aggressive or otherwise difficult to handle pets ("escape artists"/pets requiring expert handler)
  - \* Geriatric or other pets requiring:
    - Extra feeding
    - Extra and assisted/supported walks & bathroom breaks
    - 3-4x daily medications
    - Daily hygiene management (minimal bathing/"spot cleaning")
- 

**MEDICAL BOARD, NURSING CARE LEVEL 3**

**\$35/NIGHT SURCHARGE**

Description: Level 3 is for pets who require close medical observation and care during their stay, in a manner similar to hospitalization (but not Intensive/Critical Care).  
Medical Supervision: Pets are cared for daily by our Veterinary Technician staff, under the supervision of a Staff Veterinarian.

**VETERINARY SUPERVISED/REQUIRE DR EXAM AT CHECK IN** (ok to sched as appt ahead of boarding date)

*Patients falling into this category include:*

- \* Pets with a (non-stable) chronic medical condition requiring daily medical intervention (e.g., treatment of pressure sores, active infection or other illness)
- \* Pets in quarantine (e.g., communicable infection, rabies quarantine, post-Radioactive Iodine therapy)
- \* Aggressive or otherwise difficult to handle pets (limited/assigned expert handler only)
- \* Geriatric or other pets requiring:
  - Extra feedings (tube-feeding, elevated feedings or other medically supervised feeding requirements/schedules)
  - Extra and/or fully supported (carry vs. sling) walks & bathroom breaks
  - Assistance with elimination
  - 4x or greater daily medication/medication schedules
  - Frequent Hygienic Bath (Please note: An additional fee of \$20/bath will be applied as needed)
